

Want a career in the medical field?

At National Career College, we offer a nationally accredited Medical Assisting Program, staffed with instructors that have years of experience working in an ambulatory care setting. If you have a desire for an exciting and fulfilling career that is consistently high in demand, becoming a Medical Assistant is right for you! Medical Assistants play a vital role in the Physician's office, Clinic's and Urgent Care facilities. They support the physician with patient care, perform various laboratory tests and efficiently handle administrative duties in a health care setting.

You too can become a Health Care Professional in less than 8 months.

You will learn to:

Take vital signs

Obtain patient's blood pressure, Temperature and pulse

Assist the Physician

Assisting with minor surgeries and procedures

Perform Venipuncture

Obtain blood specimens from a patient

Facilitate Administrative duties

Schedule appointments, obtain insurance information and manage medical records

Anatomy

Study the structure and function of the human body

Medical Terminology

Learn to communicate with other health care professionals in a Latin based dialect

Perform Various Tests

Obtain EKG's, Pulmonary Function tests and many others

Classes

At National Career College, we understand your time is valuable.

Our comprehensive curriculum is designed to equip you with skills and knowledge that is needed to obtain a position as a Laboratory Assistant, Administrative Medical Assistant, or Clinical Medical Assistant. You will gain "real life" experience in a medical facility through our externship program. Upon completion of the program, our placement department will assist you with the development of your interviewing techniques as well as supply possible employment leads to facilities that are excited to have a National Career College Graduate. We have day and evening classes available to fit your busy schedule.

Financial Assistance

For those who qualify, we deal with various institutions ready and able to assist you with your financial needs.

National Career College is easily accessible off the 405, 101 & 170 fwy's.
